

# AWARENESS IS KEY TO UNDERSTANDING.

Melissa Aguto, MSc(OT) Candidate 2008

disABILITIES AWARENESS 2007-08 | [csd.mcmaster.ca/da](http://csd.mcmaster.ca/da)

"My physical disability couldn't stop me from much—not from years of dance, a Kinesiology degree, or entry into a Master's program. Let the world tell me my body isn't normal; I'll still be there to help them up when they fall. My name is Melissa, and I'm a student occupational therapist. **I have a disability, but I am far from disabled.**"
