disABILITIES AWARENESS 2007-08 | [csd.mcmaster.ca/da](http://csd.mcmaster.ca/da)

“People have always told me that I can’t succeed and everyday I prove them wrong! Learning to use my disability to my advantage has enabled me to be more active and involved in extra curricular activities. **You don’t need to overcome a disability.** All you need is to see the good within it.”
